### VERIFIED STATEMENT FOUND IN BOOKLET

statement of more than usual interest has been made by P. N. Robles, living on Rural Route No. 3, Floresville, Texas, regarding his recovery from rheumatism, in which he says: "I suffered with rheumatism in both feet, and was so badly crippled that I was unable

to perform any work for two months. I consulted two doctors, who failed to help me. One day a friend handed me a booklet describing the Cooper remedies, and I read it through. I was greatly impressed with Cooper's theory that the stomach is responsible for a majority of ailments, rheumatism included. He claimed that stomach weakness, bad digestion and poor appetite impoverished the system and made it an easy prey to diseases of all kinds, and that if the stomach was restored to normal condition of health and strength, bodily ills would disappear.

"Next day I sent for a treatment of Cooper's New Discovery and began taking it. The rapid manner in which it corrected my trouble was a revelation to me, and beat anything I ever heard of. In two weeks' time I was feeling so good that I returned to work and have lost no time since on account of illness. The rheumatism finally left me entirely, and my general health is decidedly better than it has been in years."

Rheumatism is a result of impure blood, the primary cause of which is a bad stomach. Cooper's New Discovery corrects the stomach and drives disease from the system. I am agent for the Cooper medicines in this community.—Thos. J. Chenoweth.

Ask your doctor if alcoholic stimulants are not often very disastrous when given to nervous people. He will tell you why. J. C. Ayer Co., Lowell, Mass.

Your nerves must be fed with pure, rich blood, or there will be trouble. Poorly fed nerves are weak nerves; and weak nerves mean nervousness, neuralgia, headaches, debility. Weak nerves need good food, fresh air, and Ayer's non-alcoholic Sarsaparilla.

### 30 Years of Success

Thos. J. Chenoweth Offers a Remedy for Catarrh. The Medicine Costs Nothing if It Fails

When a medicine effects a successful treatment in a very large majority of cases, and when I offer that medicine on my own personal guarantee that it will cost the user nothing if it does not completely relieve catarrh, it is only reasonable that people should believe me, or at least put my claim to a practical test when I take all the risk. These are facts which I want the people to substantiate. I want them to try Rexall Muc-Tone, a medicine prepared from a prescription of a physician with whom catarrh was a specialty, and who has a record of thirty years of enviable success to his record.

I receive more good reports about Rexall Muc-Tone than I do of all other catarrh remedies sold in my store, and if more people only knew what a thoroughly dependable remedy Rexall Muc-Tone is, it would be the only catarrh remedy I would have any demand for.

Rexall Muc-Tone is quickly absorbed and by its therapeutic effect tends to disinfect and cleanse the entire mucous membrane tract, to destroy and remove the parasites which injure the membrane tissues, to soothe the irritation and heal the soreness, stop the mucous discharge, build up strong, healthy tissue and relieve the blood and system of diseased matter. Its influence is toward stimulating the mucous cells, aiding digestion and improving nutrition until the whole body vibrates with healthy activity. In a comparatively short time it brings about a noticeable gain in weight, strength, good color and feeling of buoyancy.

I urge you to try Rexall Muc-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell me, and I will quickly return your money without question or quibble. I have Rexall Muc-Tone in two sizes 50 cents and \$1. Remember you may have it free. Thos. J.
